Organized by
Satyam College of Education, Noida
Affiliated to SNDT Women's University, Mumbai
C - 56A /14 &15, Sector - 62, Noida (UP)

SNDT WOMEN'S UNIVERSITY

"An Enlightened Woman is a Source of Infinite Strength"

SNDT Women's University is the first Women's university in India as well as in South-East Asia. The University was founded by Maharshi Dr. Dhondo Keshav Karve in 1916 for a noble cause of Women's Education. The first five women graduated in 1921 from this University. The University has developed many special features which makes it distinctive and unique. It caters exclusively to women and offers courses which are important and relevant to them. In 1951 the University acquired statutory recognition. This recognition came along with the rare privilege of jurisdiction across the country. The University has three campuses, one in Pune and two in Churchgate and Juhu in Mumbai. In addition to 32 University Departments and 11 constituent colleges located in the three campuses, today, the University has 200 colleges in Maharashtra, Gujarat, Madhya Pradesh, Assam Goa and U.P. University's territory has been extended to the Northern part of India in Delhi NCR through Satyam College of Education, Noida by offering B.Ed. Course.

ABOUT SCE

Satyam college of Education, a Top B.Ed. college in NOIDA, India promoted by Satyam Charitable Trust (SCT), has been established with a firm commitment to foster a holistic approach to facilitate and promote studies and research in emerging areas of Education. The aim being to achieve excellence in the Educational field towards development of Education in the era of globalization. The institute is affiliated to the SNDT Women's University, Mumbai. The SCE has decided to emphasize women education thus empowering them in the field of Education. The Institute offers an outstanding learning environment for students by providing state of the art Infrastructure, facilities, course curriculum and teaching methodology. All these are designed, in view of its commitment to achieve excellence in the field of Education by providing excellent trained teachers.

The SCE focuses on development of its students not only by imparting quality education in teacher training but also in instilling a sense of self worth and discipline. Students would get opportunities to participate in numerous co-curricular activities on and off the campus, to realize their true worth and potential.

SCE's vision is to become a trained teacher in the field of Education by following global standards and setting the bench marks for excellence in the field of Education.

Objective of the Workshop

Research is the systematic process of collecting and analyzing information to increase our understanding of the phenomena under study. It is the function of research to contribute to the understanding of the phenomenon and to communicate that understanding to others. Research Methodology is one of the main component of any research exercise in social sciences. Any Research has to be well-versed and must have command over this important tool. Otherwise, however well defined and well understood the concepts, questions and objectives, pertaining to the study may be, at conceptualization stage, it may not yield desired results and hence influence final outcome. The basic objective of this workshop is to provide training in social sciences research methodology mainly to the stake holders of educational studies.
