Report of Awareness Programme on Autism and Inclusive Education

Date 10/04/2023

"Diversity and inclusion are about giving value to every human being, no matter our difference"
Extension cell under IQAC of Satyam College of Education organized an awareness program on Autism and Inclusive Education in association with Margshree Inclusive Society and Special Sathi on 10th April, 2023. Resource persons of the programme were Ms. Shilpi Mayank Awasthi (founder of Special Sathi. Com), Dr. Sonali Kataria (Medical Doctor, an ex-AIIMS consultant) and Mr. Praval Yadav (visiting expert of Rehabilitation Council of India). Programme started with lamp lighting. Ms. Shilpi Mayank Awasthi shared her experiences and views on autism. Mr. Praval laid down more emphasis on types of autism and what is inclusive education, how to manage class of children with special needs. Dr. Sonali Kataria ma'am interacted with students and resolved their queries on autism and class room management. At the end vote of thanks was given by Dr. Bineeta Agarwal, Principal, SCE who enlightened the students about the characteristics of empowered teacher. Ms Preeti goel, head industry and IQAC coordinator also expressed her views on inclusive education. All faculty members and B. Ed. First year students of batch 2022-24 participated enthusiastically in this awareness programme.

SATYAM COLLEGE OF EDUCATION
(Extension Cell under IQAC)

Workshop on “Developing Individualized Education Plan (IEP)- Catering Special Need Children” on 24.05.2023

Report

Extension Cell under IQAC @ Satyam College of Education in association with Special Saathi organised a ‘Sensitivity’ Workshop on the topic "Developing Individualized Education Plan(IEP)-Catering Special Need Children “on 24th May,2023.

The workshop was conducted by Ms. Sonia Jaitley, the Founder and director of Orane kids and a certified specialist from AACTION AUTISM, Chicago, USA, Dr.Sonali Kataria an ex-AIIMS Consultant, the Founder of Sunrise Learning Foundation, a social activist, an autism professional, a special-school head and 2-times TEDx speaker and Ms.Shilpi Mayank, the founder of SpecialSaathi.com.

The objective of the workshop was to make the students empathetic towards children with ‘special needs’ and their ‘day to day struggles’ thereby helping them realize their true potential through genuine regard and support.

The impetus behind the success of the workshop was the creatively contrived set of strategies that helped further emphasize on the message that children with special needs are ‘truly special’ and need our love and cooperation to come into their own.

The budding teachers were receptive during the Workshop and gained a better perspective on children with special needs.

Dear Preeti Ma'am,

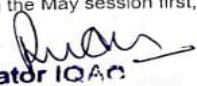

Thank you for your email. I acknowledge the discussed plan to conduct the programs in a phased manner, as per our telecon. I am writing to confirm the details for the upcoming sessions.

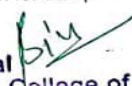

We can schedule a session at Satyam College campus for point number 1 and 2, which can take place in May. I will coordinate with you to finalize the exact dates based on your preferred options.

Subsequently, in July, we will organize another session covering point number 3 and 4. Since point number 1 and 2 are interrelated, and point number 3 and 4 are also interconnected, it is essential to discuss them separately. Each session is expected to have a duration of 60-70 minutes.

Regarding point number 5, the campus visit, I have forwarded the request to the concerned authorities in NAB and Action for Autism. However, the approval and permissions for this visit are still pending. We anticipate receiving a response from them and can conduct the campus visit on July or August. I will keep you updated on their decision next week.

Let's proceed with the May session first, and I will confirm the availability of the resource person for that period.

Thanks for your support.

It is fine for us. I think for IEP more time is required as here we have to give time to prepare their IEP.
